

# Sunflower Hearts

**Pattern for 6" block**

Templates are numbered and indicate how many of each are needed.

© 1999 Jennifer L. Schmidt

I had fun creating this pattern and hope to pass that creative excitement along by sharing the design with you. It is for your personal or non-profit use. You are welcome to share the pattern with your friends as long as you include where you found it and who designed it. -- Jennifer L. Schmidt
