

## Mr. Polson's Pre-AP American History Assignment Sheet

When working on the textbook assignments, your assignment is to **read the section**, BEFORE trying to answer the questions, it will save your time in the long run.

All questions from the textbook must be written out completely as they are printed in the textbook and the answers must be in the form of a complete sentence.

Assignments are to be put on separate sheets of paper, do not combine assignments, even when you have been out of class for some time. To interpret the following see assignment 1: 6.1 = chapter six, section 1, 2-a&b 3-a,b&c = answer question 2 part a and b and question 3 part a, b & c. Remember to write the question out before writing each answer in the form of a sentence. Assignments are not to be completed on spiral notebook paper. If working on makeup work for excused absences please put each assignment number on a separate sheet of paper.
