IMMEDIATE PAST-CHAIRMAN · REPUBLICAN PARTY OF FLORIDA

Fellow Republicans,

As the immediate past Chairman of the Republican Party of Florida and former President of the Florida Federation of Republican Women, I strongly believe that our Party must unite behind the candidate most likely to win in November and advance our conservative values.

In 2006, Florida Congressional District 16 proved to be one of our most disappointing losses, a safe Republican seat lost in the last few weeks of a most difficult election cycle.

In 2008, Florida 16 represents one of the best hopes at taking back a district that our party should never have lost.

Recognizing the importance of this District and the great opportunity with which we are blessed, I am endorsing and urging all to unite behind the strongest candidate to reclaim this seat, State Representative Gayle Harrell.

I have known Gayle for many years and she has never wavered in her support of our principles – being pro-life, anti-tax, strong on defense, and for secure borders.

Gayle is the only candidate in this race that has been tested and she has fought for these principles time after time.

Rep. Harrell is well known for her strong constituent service and her passion for helping Florida's families.

No one will out campaign her, no one will work harder, her trademark red tennis shoes are back on and she will leave no issue unanswered and no voter not contacted.

I believe strongly that Gayle Harrell is the only Republican in the race who can win. I urge Republican and conservative leaders throughout Florida to join me in uniting behind her candidacy.

Sincerely,

Carole Jean Jordan
Immediate Past-Chairman, Republican Party of Florida
